- **Up:** 1:00 hours - 370m
- **2nd Day:** Departure around 3:00a.m. depending on the period of the year. We will follow the trail to Margherita hut until the Colle del Lys; from here, we will go down along the Grenz Glacier to the altitude of 4000 meters. We will climb up the small glacier between Dufour and Zumstein until the base of the ridge at the approximate altitude of 4200 meters. A short steep snow slope gives access to the proper ridge. We will follow the ridge, always as much as possible close to its edge, and we will arrive exactly on top of the Dufourspitze 4634m. On the way back we will follow the Italian regular route, crossing the summit of Zumsteispitze. After a quick stop to Gnifetti hut, we will go back to the cable car.

- **Down:** 5-6 hours 1500m
