

Monterosa Ski Area

A mountain range runs for 25 kilometers on the edge of 4,000 meters above sea level the Monte Rosa massif the biggest mountain range over 4000m in the Alps. The ski area is based on the sunny side of the Monte Rosa with total of 180 km of ski slopes. The ski resort of Monterosa Ski is the perfect choice for skiing on the slope or either for freeride with unique terrain and endless possibilities. The slopes are varriety and you will find for everybody the right terrain from beginner to Expert.

Half day and full day lessons

With our Ski Instructor, you can feel the safety; they will transmit you important advices and personal teaching considering all the ski level - from the beginner to the expert. We start with children of 3 years old. We are working with small groups or even single skiers in a relaxed atmosphere. We propose half day programs starting at 09:00 until 13:00 or full day. The ski instructor will organize the lesson in order to progress and improve your technique in a short time reaching a higher level. The ski instructor will choose the slopes according to your skills, the weather, the snow conditions, and certainly according to your wishes. He will welcome you personally at the meeting point of your choice and if requested will come to the hotel.

Private course and training hour by hour.
